## Consignment Agreement 2008

At The Interior Connection our showroom ensures that your merchandise is given the display attention it deserves, while providing our customers with a pleasant and fun shopping experience.

### Merchandise

Merchandise is accepted weekdays by appointment only. The Interior Connection previews each item and selects the highest quality merchandise. Items must be stylish, in good condition, clean and acceptable to our customers. We can not accept items that are outdated, broken or dirty. Consignors may call 704-489-2211 for an appointment to have their items previewed. On larger furniture, please bring or send photos in advance for our review. We welcome e-mails at [lknconsign@bellsouth.net](mailto:lknconsign@bellsouth.net). If needed, we can help arrange for pick up of large items at a reasonable cost.

### Pricing and Terms

The Interior Connection will price the items based on our knowledge of the marketplace and what we know sells well. Any information you have; i.e. original purchase price, age, history, etc. will be taken into consideration. Consignors receive 60% of the purchase price of items over \$50.00 and 50% of the purchase price of items under \$50.00. We will display items for 60 days. The initial price will be marked down 20% after 30 days and an additional 10% after 45 days. Consignments unsold at the end of the 60 day contract period will be marked down an additional 20% for 30 days. After 3 months all items that have not been retrieved by the consignor will become property of The Interior Connection and be disposed of at our discretion. Please track your expiration dates as we will not make reminder calls.

### Payment

Checks for sold merchandise are mailed on the 10<sup>th</sup> day of the month following the sale date. You will receive an inventory list of what items have sold and for how much.
